

# HOMEFUL.LA

**Help us develop hygiene kits for Angelenos experiencing homelessness.**

Homeful.LA provides curated volunteer opportunities to help end homelessness in Los Angeles.

## Service Days

Looking for an opportunity to give back to your community? Homeful.LA organizes service days for groups of 15-20 people. Service days typically take 2-3 hours and include an informational chat about the current state of our homelessness crisis.

## Items for Hygiene Kits

Collect new and unused travel-size items that would fit in a one-gallon plastic bag.

These hygiene kits will be distributed to Inner City Law Center's clients and Angelenos living on the streets.

Contact Erin at [ethompson@innercitylaw.org](mailto:ethompson@innercitylaw.org) if you would like to plan a service day or drop off hygiene kit supplies. Please note it is helpful to separate supplies by gender and to include a count of the supplies.
